Amazon.com: Customer reviews: A Bigger Prize: How We Can ...
The thesis of A Bigger Prize, which bears the clunky subtitle "Why competition isn't everything and how we do better", is that we are gripped by a "quasi-religious fervor to compete". Even though Darwin scholars can't agree whether Darwin himself would have been a social Darwinian, we accept that nature seems to provide a "survival of the fittest" justification for the way we struggle against each other.

Margaret Heffernan - A Bigger Prize
Sometimes it's hard to tell if a bigger package is really a better value when you're shopping for items at a store. Fortunately, checking the item's unit price can help you figure out which package provides the most product for the cost. The unit price is the cost per quantity of item you're receiving.

How to Calculate and Compare Unit Prices at the Store: 8 Steps
A Bigger Prize (2014) explains how competition is holding us back. These blinks demonstrate how our competitive schools, economy and society - believed to produce higher grades, lower prices and better results - are actually stifling collaboration and preventing us from realizing our full potential.
