#### Ai no Kusabi - Wikipedia

I was somewhat disappointed in this release of Ai No Kusabi because I thought it was the entire story, much to my chagrin it is only the first 4 ovas, (the same ovas that have been release last year thru Aarinfantasy). I should have read the story discription better because it states that it is the first 4 of 8 ovas.

There are two versions of Ai no Kusbai. This version is the second one and consists of four episodes. The first one consists of two OVAs. Both have very different endings. I really liked the anime style of the 2012 version. Another big detail between the two is that the first is much more visual in regards to the adult content.
