My Tour of Tuy Hoa, Vietnam 1967

The base operated under US military until April 1975 when it was seized by the Vietnamese People's Army and was afterward used as their military air base. Much, later on, it was used as a civil airport, but alas, today it is closed and abandoned. All of the civil air traffic is now being transferred to the new Cam Ranh Airport.

Abandoned US military bases in Vietnam - Abandoned Spaces

Tuy Hoa Air Base is a former air force base in Vietnam, being closed in 1970. It was built by the United States between 1965-1966 and was used by the United States Air Force during the Vietnam War in the II Corps Tactical Zone of South Vietnam. It was seized by the Vietnam People's Army in April 1975 and was abandoned for several decades.
