The aunt in contemporary Anglo-American culture is a deserving though oft-overlooked cultural identity for critical feminist analysis. This article examines selected performances of aunting in contemporary U.S. popular culture to illustrate how the cultural work of aunting articulates both dominant and transgressive constructions of family, care, kinship, and feminine agency.

In Brooklyn, 64-year-old Mary Pupko is a retired seamstress with multiple sclerosis. She recently moved to town from Seattle to be closer to her daughter, Elisa Pupko, her son-in-law and her nearly 3-year-old granddaughter, Evelyn. "Because of her health we are extremely cautious with our COVID precautions," Elisa said of her mother.
