Out of the many engineering branches available, Electrical Engineering is the most sought after choice students opt for.

Private University Ranking for EEE Degree in Bangladesh

This current varying in parallel circuits brought about Kirchoff's next big law in basic electrical engineering, Kirchoff's Current Law (KCL). This law basically states that current into a node will equal the current out of the node. In other words, the net current in a node is zero or $0 = I(\text{in}) - I(\text{out})$. Looking at the node (connection ...
