Chambers Associate: What is bankruptcy and restructuring law?  
Rashida Adams, associate: The term “bankruptcy” is the statutory procedure by which a troubled business obtains financial relief and undergoes a judicially supervised reorganization or liquidation of its assets for the benefit of its creditors. A distressed company may also obtain similar relief by reaching an agreement with its creditors through an out-of-court transaction.

“Bankruptcy is the last bastion of the generalist.” Chapter 11 provides for a court-supervised restructuring and, crucially, protection from creditors, who are barred from seeking to retrieve their money until the company is restructured. A notable feature of Chapter 11 work is the growing prevalence of 'distressed M&A,' which describes the selling of parts - or the whole - of the ailing company.
