The major elements of culture are symbols, language, norms, values, and artifacts. Language makes effective social interaction possible and influences how people conceive of concepts and objects. Major values that distinguish the United States include individualism, competition, and a commitment to the work ethic.

3.2 The Elements of Culture - Sociology

Sports uniforms, company logos, and traffic signs are symbols. In some cultures, a gold ring is a symbol of marriage. Some symbols are highly functional; stop signs, for instance, provide useful instruction. As physical objects, they belong to material culture, but because they function as symbols, they also convey nonmaterial cultural meanings.

Offred walks through the garden on the way to the shops. The red tulips have bloomed and look, to Offred, as though they've been cut and are healing. The Commander's Wife, Serena Joy, takes care of the garden, with the aid of a Guardian (Nick). Serena Joy, who has arthritis in her left foot, also passes time sewing and knitting elaborate, childish scarves for the Angels at war.
