Thankfully, strict laws are in place to protect consumers from unfair and deceitful actions taken by telemarketers, outlined in a piece of legislature known as the Telephone Consumer's Protection Act, or TCPA. These laws ensure that consumers are not harassed, deceived, or mistreated by telemarketers.

### 14 Consumer Protection Laws You Should Know

Consumer rights sound like it would be a given in America, but it wasn't until the 1960's that the government first acted to protect consumers. It started with the Consumer Credit Protection Act of 1968, when Congress moved to shield consumers and their financial records from abuse. In the years following, other laws refined consumer rights, spelling out how the government can access bank customers' information, how banks treat borrowers and the way banks handle customer deposits.

### The Federal Consumer Credit Protection Act & How it ...

Consumer protection laws are a form of government regulation that exists at both the federal and state level. There are several government organizations that promote consumer protection such as the Federal Trade Commission which was created in 1914. Their mission is three-fold:
