How did America end up with so many Thai restaurants? It might surprise you to find out Thailand's government and 1980s era Hollywood have something to do with it. We get a culinary history lesson from Mark Padoongpatt, an educator and author of Flavors of Empire: Food and the Making of Thai America. Mark also gives a list of suggested Thai restaurants.

How Thai food took over America | The Splendid Table

Thai Food. It's little wonder that Thai food — known for its potent spices and savory flavors — has become wildly popular around the world. And nowhere is this more true than in the United States, which has welcomed an extraordinary amount of Thai restaurants over the last several years.. But how does the experience of eating Thai food in the U.S. compare to the real deal?

From the chef of LA's Night + Market, this book charts a journey from Thai-American restaurant food to traditional Thai country cooking, and examines what exactly authenticity means. It also showcases Yenbamroong's signature style of cooking, with recipes that are distinctly Thai, but also distinctly Night + Market.

A Beginner's Thai Food Guide with Recipes and Thai ...

Thai restaurants in America serve lots and lots of spring rolls – just like everyone in America must eat an egg roll with Chinese food, so Thai food is always served with a deep fried spring roll. I think it's because Americans like deep fried things (and Thai restaurant owners have figured this out).

9 Major Differences between Thailand Thai Food and ...

Thai food has exploded in popularity in the United States, and this series will explore not only the dishes, ingredients, and techniques of Thai cuisine, but the stories of the chefs and family-owned restaurants whose hard work and creativity have made Thai food in America what it is today. Hosted by food blogger and culinary guide Brian Hoffman, this interactive virtual program series features live interviews and cooking demonstrations with chefs from across the country, who will explore ...
