CATHODIC PROTECTION TECHNOLOGY PTE LTD (CP TECH) Is a well established company in the field of cathodic protection. It is Asia's leading specialist designer and manufacturer of cathodic protection systems, providing a wide range of products and services to deal with corrosion problems.

# Acces PDF Cp 3 Cathodic Protection Technologist Course Manual

## **About CP TECH**

Cathodic protection (CP) is a technique used to control the corrosion of a metal surface by making it the cathode of an electrochemical cell. A simple method of protection connects the metal to be protected to a more easily corroded "sacrificial metal" to act as the anode. The sacrificial metal then corrodes
