Designing Industrial Policy in Latin America: Business ...

Development economists and practitioners agree that close collaboration between business and government improves industrial policy, yet little research exists on how best to organize that. This book examines three necessary functions--information exchange, authoritative allocation, and reducing rent seeking--across experiences in Latin America.

Ben Ross SCHNEIDER. Designing industrial policy in Latin ...

Industrial policyis back in fashion. Many developing countries have recently adopted a swathe of development strategies ranging from extremely selective to non-discretionary, functional policies, notably in Botswana, India, Uganda, Ethiopiaand in Latin America, Argentina, Brazil, and Colombia. The number of countries that implemented national development plansincreased from 62 in 2006 to 134 in 2018 reflecting the gradual dismantling of the neoliberal consensus dominant in national and ...
