design. Generously illustrated with historical examples of designing excellence — ranging from teacups, riding boots, and golf balls to the villas of Palladio and the fish-feeding pavilion of Beijing's Winter Palace—Rasmussen's accessible guide invites us to appreciate architecture not only as a profession, but as an art that shapes everyday experience.

Experiencing Architecture By
Rasmussen 2nd
Edition In spite of it's
age the book is still like
a bible for people
interested in
architecture and used
a lot in education. The
language is not too
complicated, its not too
technical and there are
a lot of simple but good
illustrations. This book
was required reading
for my introductory
class on architecture.
