Students in these programs would still be enrolled in their local public school, but the curriculum would be fully online. Although Jenny is worried for the future of public schools, she is excited to create a curriculum for her children, a kindergartener and third-grader, as well as her sister's kids, whom they will quarantine with.

## **Many Oregon families shift from public school to ...**

The culture of the public school classroom is so different from the way kids learn at home. In fact, I've found that even my co-op classes were more like my grad school seminar classes than they were similar to public school classes—much more of a “let's learn this together” than a “sage on the stage” approach.
