Fugazi - In On The Kill Taker [1993, FULL ALBUM] - YouTube

In on the Kill Taker is the third full-length studio album by the American post-hardcore band Fugazi. It was released on June 30, 1993 through Dischord Records and was recorded at Inner Ear Studios and produced by Ted Niceley and Don Zientara. In on the Kill Taker captured the aggressiveness of the band's earlier releases while displaying a more diverse range of influences.

In on the Kill Taker - Wikipedia

In on the Kill Taker is like scrubbing your face with steel wool. It finds the band relying on rusty guitar shards that scrape, seethe, and hiss, further removing itself from the sound of 13 Songs and Repeater. Harsh and grating, Fugazi surprisingly produces sheer noise at times, best witnessed in the lengthy closing of "23 Beats
