genesis steam iron I bought the Genesis steam iron June 2014 at Game Greenacres. Was promised that this iron is the best invention since sliced bread and should I experience any problems I could return for a full money back guarantee no questions asked.

[Responded] GENESIS STEAM IRON | Verimark on Hellopeter.com

Steam cleaners are devices filled with water that heats to boiling. Once the water boils, it produces steam, which is pushed through tiny holes in the cleaner. Cleaning with steam removes many stains that traditional cleaning methods won't. Unfortunately, when steam cleaners are used often, they sometimes get clogged.

Good Day, My Genesis Steam Iron releases smoke when its plugged and I took it in for service at Verimark because its still under guarantee. However I have been told its ready and fixed twice and its still not working properly. on both occasions, when switched on it releases smoke on the side as if its burning wires.

Always read your steam iron's manual. Follow any steps suggested before first use. Most steam irons work perfectly well with tap water. In fact, some say not to use distilled water at all — but it's important to check. Avoid ironing over metal fastenings like zippers. Damage to some nonstick steam irons makes them all but unusable.
