About the handbook.

Handbook of International Economics | ScienceDirect.com

"The Handbook series is like the Olympic games of economics: drawing together all the star contributions of international economics in single location, with a unifying notation and modeling framework. This volume will be indispensable reading for faculty and advanced students alike and will influence the field for years to come."

The Oxford Handbook of International
Antitrust Economics has collected
chapters from many of the leading
figures in antitrust. In doing so, this two
volume Handbook provides an important
reference guide for scholars, teachers,
and practitioners. However, it is more
than a merely reference guide. Rather, it
has a number of different goals.

This Handbook adopts a traditional definition of the subject, and focuses primarily on the explanation of international transactions in goods, services, and assets, and on the main domestic effects of those transactions. The first volume deals with the "real side" of international economics.

Handbook of International Economics, Volume 1 - 1st Edition

The economic literature on international migration interests policymakers as well as academics throughout the social sciences. These volumes, the first of a new subseries in the Handbooks in Economics, describe and analyze scholarship created since the inception of serious attention began in the late 1970s.

than any other area of regulation, antitrust economics shapes law and policy in the United States, the Americas, Europe, and Asia.

The Oxford Handbook of International Antitrust Economics ...

The volume has a good overall balance of theoretical and empirical coverage. The trade side of the volume surveys theoretical work on trade based on scale economics and imperfect competition, the relationship between trade and technological progress, strategic trade policy, the political economy of trade policy, and the rules and institutions of international trade, as well as empirical work on trade patterns, trade policies, and regional integration.
