History of a Suicide by Jill Bialosky

Mostly prose with effective inclusion of poetry, Jill Bialosky adds an important survivor's perspective in her recent book History of a Suicide: My Sister's Unfinished Life. Ms. Bialosky writes the story of her sister Kim's suicide several times, much the way a patient in therapy may consider and reconsider a traumatic life event, each time doing so with a slightly different approach and emphasis.

History of a Suicide: My Sister's Unfinished Life

Suicides played at times prominent roles in ancient legend and history, like with Ajax the Great who killed himself in the Trojan War, and Lucretia whose suicide around 510 B.C. initiated the revolt that displaced the Roman Kingdom with the Roman Republic. One early Greek historical person to commit suicide was Empedocles around 434 B.C.

History of suicide - Wikipedia

Suicide, the act of intentionally taking one's own life. Because this definition does not specify the outcome of such acts, it is customary to distinguish between fatal suicide and attempted, or nonfatal, suicide. Throughout history, suicide has been both condemned and condoned by various societies. It is generally condemned by Islam, Judaism, and Christianity, and suicide attempts are punishable by law in many countries.

Suicide | Britannica

Globally, close to 800,000 people die from suicide every year. 3 That's one person every 40 seconds. 4 Due to the stigma associated with suicide – and the fact that it is illegal in some countries – this figure is also likely to be an underestimate, with some suicides being classified as unintentional injuries. 5 The Global Burden of Disease is a major global study on the causes of death ...
