History Year By The Ultimate

5/5 Stars A brilliant hardback containing short, sharp, concise pockets and snippets of world history information, ranging from 6.5 million years ago, right up to 2012. The short pockets of information were unbiased, factual and right to the point, exactly what I've been looking for. They were easy to digest, given a lot of it can get confusing at times in terms of who is who and they were ...

supreme power, its application in practice often has departed from this traditional meaning.

sovereignty | Definition, History, & Facts | Britannica

The entire history of the world at your fingertips, with lots of great graphics. One of the things I especially love about this book is that much of it (beginning in the 1900's) has a full two page spread for each year. It's extraordinary to see the events of the year 1914, for example, laid out in such detail.
