The first thing you need is a commitment to dedicate time for learning. How you structure your learning is up to you because you’re the boss in self-directed learning. It would be optimal if you carve out 1 hour every weekday or a total of 5 hours on weekends. But how do you take out that much time from your life?

Self-Learning: How To Become A Genius Self-Learner From Zero

Updated April 29, 2020 The “why” of self-directed learning is survival—your own survival as an individual, and also the survival of the human race. Clearly, we are not talking here about something that would be nice or desirable....We are talking about a basic human competence—the ability to learn on one’s own—that has suddenly become a prerequisite for living in this new world.
