The Turkish invasion carries on unabated with the Huglu 103DE. Huglu have been involved in gun manufacture for around 100 years, but ASI, historically famous for distributing AYA and more recently Rizzini shotguns, has taken over distributorship of these guns. Huglu are continually working on their range and are in the process of introducing some new models.

Dimensionally Huglu have got the 103 more or less exactly right for the vast majority of shooters, as the out of the box measurements are some of the most well considered I've encountered. The well rounded comb provides a drop at comb and heel of 1 7/16" and 2 3/16" with a length to the single selective trigger of 14 7/16" combined with ...
