describes in-depth the theory and research behind the programme, and explains how to use it in practice.

I am Special: A Workbook to Help Children, Teens and ...

I am Special is a workbook developed by Peter Vermeulen and already used extensively with young people with autism spectrum disorder. The workbook is designed for a child to work through with an adult - parent, teacher or other professional. Unlike other books, its content and layout are devised especially for children who read, think and process information differently.

I am Special

I am Special is a comprehensive workbook designed to help young people understand their autism. It is clearly a much needed tool which I am sure will be welcomed by parents and professionals alike. It offers a detailed and systematic approach to working with individuals with autism aged 10 and over.

Bible Story Time: Preschool thru Grade 1: Read A Child of God (or read from your own store bought children's bible).. Grades 2 and 3: It's tough to know when it's the right time to start readings from the Bible, but if the children have been read a children's version of the story in the past, I believe this is a good age to introduce the King James (or your preferred) bible reading.

Instead, be intentional. Talk with your kids privately about what's going on, and be as honest as you can without giving them details they don't need to know. And then, when you're ready to introduce your kids to that special someone you've been seeing for a while, tell them.

Single Parent Dating: When Should I Introduce My Kids?

"Teaching children is my life's mission. This is not just a job to me. This is something that I need to do on a daily basis. All children are precious, but I'm particularly drawn to helping those who need it the most, and children with intellectual disabilities needs someone who cares about them and is invested in their growth and education.
