Italy A Contested Polity

Italy's politicians are not just masters of trasformismo (an ability to reinvent and present themselves anew to voters), but of stratificazione, or "layering", the introduction of new policies and institutions without replacing those that preceded them. The result is a damaging mix of obsolete and contradictory legislation, the product of bargaining over reform by chronically weak governments in a veto-ridden polity.

Abstract. Ten years after the last special issue of West European Politics dedicated to Italian politics, it is possible to extend and refine the framework used in that issue to document and explain the trajectory of change in Italian politics since the early 1990s. After the crisis at the beginning of that decade, the long period that has followed has been characterised by a process of negotiated change and 'institutional layering' which, thus far, has produced an outcome that is far ...

The politics of Italy are conducted through a parliamentary republic with a multi-party system. Italy has been a democratic republic since 2 June 1946, when the monarchy was abolished by popular referendum and a constituent assembly was elected to draft a constitution, which was promulgated on 1 January 1948. Executive power is exercised by the Council of Ministers, which is led by the Prime Minister, officially referred to as "President of the Council". Legislative power is vested primarily in
