Laurinda Alice Pung

Alice Pung is a young woman with a vast cultural history and a very important story. Here is a piece of fiction, but knowing some of this author's background, this stuff is real. The main subject I took from this is the issue of 'outworkers' and the extreme hard work of those that need to do this and work very very hard to earn such little pay.

Laurinda by Alice Pung - Goodreads

Alice Pung, herself growing up a refugee in Australia, has written a brilliant account of what it is like to be a teenager suddenly thrust into an alien environment while at the same time struggling to find her own identity. She raises many important topics, not just those of race and class but also of abuse of power, manipulation and bullying.

Alice Pung (Author of Laurinda) - Goodreads

It would be a rare reader that didn't feel an affinity for the protagonist in Alice Pung's charming coming-of-age story, Laurinda. There is something universal about fifteen year old Lucy Lam's dislocation as she tries to navigate the clique-iness, the odd social mores, and the subtle bullying that takes place at Laurinda, a prestigious private school to which Lucy has received the first equity scholarship.

A review of Laurinda by Alice Pung - Compulsive Reader

Alice Pung on the other hand, has a different way with her words. She is a describer. She writes paragraphs, and it's always about the internal monologue. She writes well too, but her style is different.
