Magic Words by Tim David - Blinkist

Crowley stated that magick (he spelled it with a "k" in order to differentiate it from stage magic) is "the Science and Art of causing Change to occur in conformity with Will." But in its simplest and most common sense, magic concerns the achievement of worldly aims through supernatural means.

5 Magick Words You Need to Know to Change Your Reality Now

Magick, in the context of Aleister Crowley's Thelema, is a term used to show and differentiate the occult from performance magic and is defined as "the Science and Art of causing Change to occur in conformity with Will", including "mundane" acts of will as well as ritual magic. Crowley wrote that "it is theoretically possible to cause in any object any change of which that object is capable by nature". John Symonds and Kenneth Grant attach a deeper occult significance to this preference. Crowley

MagiCubes are brilliant magnetic cubes that can be used for free play or in the case of this set, learning to read and recognise words.. The cubes feel like great quality and although my 3 year old is not at the stage of reading words yet, he has very much enjoyed free building with the cubes and adding the pictures.
