Henry VIII's legacy He was succeeded by his son, Edward VI, who was only 9 years old. A sickly child, he died aged 15 in 1553, and was succeeded by his older half-sister, Mary I, who ruled until 1558. In turn, she was succeeded by her younger half-sister, Elizabeth I, who ruled England until her death in 1603.

Henry VIII & the Tudors | The Mary Rose

Mary Tudor was an English princess who was briefly Queen consort of France and the progenitor of a family that eventually claimed the English throne. She was the younger surviving daughter of King Henry VII of England and Elizabeth of York, and the third wife of Louis XII of France, who was more than 30 years older than she. Following his death, she married Charles Brandon, 1st Duke of Suffolk. Performed secretly in France, the marriage occurred without the consent of Mary's brother, Henry VIII.

Mary Tudor, Queen of France - Wikipedia

The Embarkation of Henry VIII at Dover, a painting that commemorated King Henry's voyage to the Field of the Cloth of Gold in 1520, painted in 1540. The vessels in the painting are shown decorated with wooden panels similar to those that would have been used on the Mary Rose on special occasions.
