Mastering Emacs Book
In the Mastering Emacs ebook you will learn the answers to all the concepts that take weeks, months or even years to truly learn, all in one place. "Emacs is such a hard editor to learn" But why is it so hard to learn? As it turns out, it's almost always the same handful of issues that everyone faces.

The Mastering Emacs eBook
It tightly integrates with Emacs and has a wealth of interesting features. Mastering Keybindings Binding keys in Emacs is not easy if you haven't done it before, but in this article I will walk you through all the many ways of doing it: how to bind keys to particular modes and globally and a selection of templates you can use for your own init file.

Mastering Emacs
"Mastering Emacs" is a great reference for many Emacs features, both widely known and quite obscure. As for the book part (especially, a book for beginners) - not so much. Sometimes it gets incoherent describing different customizations, pointing at caveats that are not relevant at the novice level.

Mastering Emacs by Mickey Petersen - Goodreads
The Emacs Way Picking a source format. When I decided to write the book I wanted it in both ePub and PDF format. My personal... Proofreading and Tracking Changes. The next thing I had to worry about was proofreading. I wanted the book... Spell Checking. This is one where I wish I had Microsoft Word. ...

How to write a book in Emacs - Mastering Emacs
A review of Mickey Petersen's "Mastering Emacs" book, for beginners and advanced users 29 May 2016, by Artur Malabarba. I wish I had reviewed this bookwhen it first came out, over one year ago, those were busier times and this piece of work deserved more than a short post

A review of Mickey Petersen's "Mastering Emacs" book, for ...
The Mastering Emacs ebook. Learn Emacs the right way.

The Mastering Emacs Ebook
Once you're comfortable using the M-x customize GUI in Emacs you're probably itching to customize Emacs's keybindings - the one thing you cannot easily do, and persist to your .emacs file, without getting your hands dirty. My article on mastering key bindings in Emacs explains, well, everything you'd care to know about binding keys in Emacs. I also include handy templates for the most frequent key binding tasks you'll encounter, so it's easy to snarf the example code and modify ...

Reading Guide - Mastering Emacs
I didn't buy it, though, a friend of my had it and I read the whole book book. It's nice, well written and nice content, but, all that + more, you can simply get in a week searching the web or following emacs tutorial. The best book to learn is simply (as "stated" in the book) is to ask Emacs what you need .p.

Anyone bought the "Mastering Emacs E-book"? : emacs
The Emacs Manual is 635 pages long, Mastering Emacs is 281 pages long, The pdf for just org mode is 303 pages long, the emacs lisp reference manual is 1165 pages long (to be fair: it's an entire programming language). There are thousands of functions, a plethora of keybindings, and you can access most of them straight from the editor itself.

Just finished reading Mastering Emacs : emacs
TheCraftOfTextEditing - a non-introductory book about text editors, specifically Emacs. Mastering Emacs. Book about basic, but also complex Emacs topics. Author's perspective is good for people coming from more recent editors, like Sublime text. https://www.masteringemacs.org/ XEmacs auf Gut Deutsch

EmacsWiki: Books About Emacs
I happen to think the Mastering Emacs web site is fantastic, and Mickey has put a ton of effort into those articles. I'm sure the book is of the same high quality, and I would gladly purchase it -- but absolutely not under those ridiculous terms.

(mastering Emacs) book is 50% off : emacs - reddit
Mickey Petersen has a really interesting post on the technical details of how he wrote Mastering Emacs. It's not surprising that he used Emacs, of course, but less obviously he chose reStructuredText as his source format. That choice was driven by the fact that he wanted to produce both PDF and ePub output. My first thought was, "Why not use Org?" but Mickey says that Org documents have problems being converted to other formats.

Writing Mastering Emacs | Irreal
Mastering Emacsis the first tech book in a long time I've read cover-to-cover, taking notes and making bookmarks as I've went. I've referred back to it many times in trying to get more helpful commands in my daily workflow. I gleaned a lot and - ironically - the biggest point Petersen makes is that Emacs is self-documenting.

Review "Mastering Emacs" — Where Are The Wise Men?
"Mastering Emacs" author Original Poster 3 points · 5 years ago Beginners and intermediate users. Beginners, because the book will teach them all the bits and pieces of knowledge you spent months/years learning that, honestly, you should've learned right away.

I'm pleased to announce the Mastering Emacs eBook :) : emacs
Unlike all other text editors, GNU Emacs is a complete working environment -- you can stay within Emacs all day without leaving. This book tells you how to get started with the GNU Emacs editor. It will also "grow" with you: as you become more proficient, this book will help you learn how to use Emacs more effectively.
