Survival Data In  
in Medical Research, by  
Collett (2nd edition  
2003) This is the  
survival text book I  
bought while doing my  
MSc in Medical  
Statistics. It provides a  
thorough coverage of  
all the main methods  
and principles needed  
for survival analysis.

## PDF Modelling

### Survival Data In

#### **Research**

The likelihood function for a survival model, in the presence of censored data, is formulated as follows. By definition the likelihood function is the conditional probability of the data given the parameters of the model. It is customary to assume that the data are independent given the parameters.
