Lest this season pass without hearing Constitutional answers to current problems, let us review a few. Howard Philips, who ran for President in 43 states on the Constitution Party ticket, has thought through some of these ideas. These explanations show, once again, that the Constitution really has answers for our day.

Constitutional answers to current problems

[excerpted from 1996 material by the American Bar Assn.]
Amending The Constitution. The Facts. 1. According to Article V, amendments can be proposed by a two-thirds majority vote in Congress or at a constitutional convention called by two-thirds of the states. In order for a proposed amendment to become part of the Constitution, approval by three-quarters of the states is required.

Some Constitutional Issues and Points For Discussion

Constitutional law case briefs are about the interpretation and application of the United States Constitution. The powers given to the state and federal governments, individual rights provided by the Constitution, the United States Supreme Court decisions, and other topics are covered in constitutional law case briefs.

Constitutional Law | Case Brief Summary

Judges from various state and federal courts, including the Supreme Court, have cited the Second Edition of Modern Constitutional Law in support of their decisions. A thorough update of the Second Edition, this Third Edition covers a broader range of topics than most constitutional law treatises.

This article explores the facets of hunting amendments. Part I traces the legal history of protections for hunting, from early laws to preserve hunting for the people to modern hunter harassment statutes. Part II analyzes the forms of hunting amendments—some guarantee a right, others only recognize a heritage; some are fundamental rights, others are less strong; some are limited by private ...
