Notes on Social Measurement: Historical and Critical by ...

Social measurement, like physical measurement, is a persistent theme in human history. In this essay, an eminent sociologist suggests that social measurement has its roots in the social process itself, broadly conceived, and not specifically in the scientific method as it developed in the seventeenth and later centuries.

Notes on social measurement : historical and critical ...

Notes on Social Measurement □□ : Otis Dudley Duncan □□□: Russell Sage Foundation □□□: Historical and Critical □□□: 1973-10-15 □□: 272 □□: USD 38.50 □□: Hardcover ISBN: 9780871542199

Notes on Social Measurement (□□)

Measurement requires the use of numbers but does not require the value judgments be made about the numbers obtained from the process. We measure achievement with a test by counting the number of test items a student answers correctly, and we use exactly the same rule to assign a number to the achievement of each, student in the class.
