Can a Big Dog Breed with a Small Dog? - Big Dog Den

Many pet care professionals will disagree saying large dogs often play well with small dogs, some small dogs are feisty and need a larger dog for play, or that this type of separation policy is a hardship for owners with different sized dogs in the same household. There is truth in these statements.

Dangers of Play Between Large and Small Dogs - The Dog Gurus

In general, if a smaller male dog is determined to mate with a larger female dog, his sexual desire will be strong enough that he will find a way. However, this doesn’t mean there aren’t risks involved and your male dog may need a helping hand. It is best to let him begin proceedings alone but be sure to step in if you see things going awry.

How to Breed Dogs of Different Sizes Safely?

Many people adore large dog breeds such as Labrador Retrievers and German Shepherds for their energy, athleticism and versatility. But big breeds aren’t for everyone. If you live in an apartment, have small children or aren’t strong enough to handle a canine who weighs more than 70 pounds, you may want to consider a small dog.

11 Small Dog Breeds for People Who Like Large Dogs — Photo ...

Smaller dogs, on average, live longer than larger ones. So for example a toy poodle, might live several years longer than a standard poodle, or a Labrador. In broad terms, if you want to spend as many years with your new friend as possible, getting a smaller dog should be one of your priorities. But not very small, as we’ll see in a moment

Dog Sizes - Small, Medium Or Large - How To Choose

However, the idea that large and small dogs cannot play well together is untrue. And there is no scientific term for dog behavior called predatory drift. Big dogs and small dogs can play together on a regular basis, and big dogs are not destined to become predatory to little dogs.
