The main trend regarding the history of U.S. foreign policy since the American Revolution is the shift from non-interventionism before and after World War I, to its growth as a world power and global hegemony during and since World War II and the end of the Cold War in the 20th century. Since the 19th century, U.S. foreign policy also has been characterized by a shift from the realist school ...

...

The decentralized nature of election laws in the United States, along with the dynamic nature of these laws, creates considerable confusion for the American voter. If a citizen moves from one state to another it will certainly take time to get used to the new voting practices they will encounter (Burden and Videll 2016).
