Settlement, Nesting Territories and Conflicting Legal Systems in a Micmac Community. In this groundbreaking book anthropologist Daniel Strouthes studies the development of a legal system by a North American Indian group-a small band of twentieth- and twenty-first-century Micmac in Nova Scotia-and analyzes their inventive land tenure law and territorial responses to settlement.

Settlement of the Mississippi Territory. The residents of the Mississippi Territory were primarily former British or Spanish citizens or natives of other parts of the United States who had migrated to the region in pursuit of land and opportunity. This great migration occurred in two distinct waves. The first wave occurred between 1798 and 1812 ...
