1- Starting to Play Slither.io. Go to the middle of the map in order to grow faster when you start playing slither.io since bigger snakes are always in there. Check the competition of the bigger snakes from a distance for a while because once one of them will be eliminated a chaos will arise and small snakes just like you will try to pick up the glowing orbs but if you can do the timing well and directly rush into the middle straightly then snakes coming both sides will hit you and will be ...
