Ask about the age of the hamster. From the age of about 8 weeks female hamsters can be pregnant so you need to try and establish the age and sex of the hamster you are looking to buy. Hamsters are best purchased at the age of 4-6 weeks as they are easier to tame if you handle them from about that age. 6.

need a cage with plenty of space, appropriate bedding and fun toys. They need feeding with complete hamster mix once a day, as well as fresh water daily. They need handling with care and cleaning out at least once a week. If you can commit to this, then your dwarf hamster should be a happy and healthy companion.
