Sometimes the word heart refers to the actual physical organ, but many times it refers to the inner being—the seat of the will and the emotions. In the New Testament, the word kardia, the Greek word for "heart," can also refer to the physical organ but is often translated "mind" as well. Today, we often set the mind and heart against each other, as in "Even though he knew in his mind that it was a bad idea, he had to follow his heart."
