Origins of Creativity - Oxford Scholarship

The way in which different societies have formulated the concept of creativity has changed throughout history, as has the term "creativity" itself. The ancient Greeks, who believed that the muses were the source of all inspiration, actually had no terms corresponding to "to create" or "creator." The expression "poiein" ("to make") sufficed. They believed that the inspiration for originality came from the gods and even invented heavenly creatures - the Muses - as supervisors of human creativity.

The ways in which societies have perceived the concept of creativity have changed throughout history, as has the term itself. The ancient Greek concept of art, with the exception of poetry, involved not freedom of action but subjection to rules. In Rome, the Greek concept was partly shaken, and visual artists were viewed as sharing, with poets, imagination and inspiration. Under medieval Christianity, the Latin "creatio" came to designate God's act of "creatio ex nihilo"; thus "creatio" ceased t
