The Political Economy of Regionalism by Edward Mansfield ...

As such, many drivers and barriers to regionalism are shaped by aspects of political economy, such as fragmentation and constraints of size, the role of transnational political coordination and governance, matters of sovereign economic and political inter-ests, as well as power and the distribution of wealth and resources within both regions and within coun-tries.

The Political economy of Regionalism

The contributors to this text explore regionalism from a political economic perspective, investigating why The North American Free Trade Agreement (NAFTA), the ongoing process of economic integration in Europe, the formation of Mercosur, and the possibility of a new Asia-Pacific economic bloc have led to debate about the currnet status and future direction of regionalism.

The Political Economy of Regionalism by Edward D. Mansfield

Abstract We examine the incentives of regions to unite and separate. Separation allows for greater influence over the nature of political decision making while unification allows regions to exploit economies of scale in the provision of government.

The political economy of regionalism - ScienceDirect

The book is the first attempt to offer a holistic and integrated exploration of the political-economic framework underpinning economic regionalism. In doing so it provides a much-needed contribution to the literature on international political economy, international relations and Asian political economy in relation to economic regionalism.
