The Song Of The Quarkbeast

The Song of the Quarkbeast is the second book in the Dragonslayer trilogy by Jasper Fforde. It is set in an alternate world in which magic is real, but has become weakened and is also being replaced by modern technology. The setting is almost like modern Britain, except that it is split into a number of small states. Synopsis

Song of the Quarkbeast sits just above the middle-rank of the audiobooks I've listened to. It is a humorous story that will amuse fans already familiar with Jasper Fforde. What did you like best about this story? Fforde is true to form in this story, with scatterings of absurd British alternate history among the well-paced fantasy plot points.
