True Witness | James M. Doyle | Macmillan

Honest but mistaken eyewitnesses are the leading cause of wrongful convictions in the United States. As the innocent go to prison their lives are shattered; as the criminal goes free, the public remains vulnerable. With a vivid cast of brilliant scientists, street-wise cops, and former prosecutors--all haunted by the legacy of wrongful convictions, some directly involved with one--Doyle sheds light on the intersection of personal ambition, legal and political principles, and scientific inquiry.
