The \$94,000 Jetlev uses jet stream technology to propel fliers up to 30ft in the air by sucking up water in a huge hose from the ocean and blasting it back out of the pack. Flying without wings: The Jetlev jetpack propels fliers up to 30ft into the air by sucking up ocean water and powering it back through the pack. (Chris Parsons / Mail Online)

The example above assumes that blank values are not something you want to find. Sometimes you actually do want to find all records that have a blank value. In this case, you can use two single quotes (""). In the above example, if C4 could be blank and you wanted to use it as a filter anyway, you could use the following formula.

Blank Filters - using @@ and other techniques - Support Topics

Joan Jett (born Joan Marie Larkin, September 22, 1958) is an American rock singer, songwriter, composer, musician, record producer and occasional actress. Jett is best known for her work as the frontwoman of her band Joan Jett & the Blackhearts, and for earlier founding and performing with the Runaways, which recorded and released the hit song "Cherry Bomb".
